UNIFORM TRAFFIC CODE FOR CITIES, TOWNSHIPS, AND VILLAGES

CHAPTER 1. WORDS AND PHRASES DEFINED

R 28.1001 Rule 1. Words and phrases.

(1) As used in this code:

- (a) "Act" means the Michigan vehicle code, 1949 PA 300, MCL 257.1 et seq.
- (b) "Alley" means a minor thoroughfare, opened to public use, for the purpose of ingress and egress to service adjacent buildings.
- (c) "Bicycle lane" means a portion of a street or highway that is adjacent to the roadway and that is established for the use of persons riding bicycles.
- (d) "Bicycle path" means a portion of a street or highway that is separated from the roadway by an open, unpaved space or by a barrier and that is established for the use of persons riding bicycles.
- (e) "Bus stand" or "bus stop" means a fixed area in the roadway, parallel and adjacent to the curb, to be occupied exclusively by buses for layover in operating schedules or by buses waiting for, loading, or unloading passengers.
- (f) "Clerk" means the person who keeps the records and performs the regular business of a governmental unit.
- (g) "Curb loading zone" means a space that is adjacent to a curb and that is reserved for the exclusive use of vehicles during the loading or unloading of passengers or materials.
- (h) "Freight curb loading zone" means a space that is adjacent to a curb and that is provided for the exclusive use of vehicles during the loading or unloading of freight.
- (i) "Governmental unit" or "municipality" means an incorporated city, an incorporated village, or a township.
- (j) "Official time standard" means the hours named in this code are hours of standard time or daylight-saving time, whichever is in current use in this governmental unit.
- (k) "Parking meter zone" means an area that is adjacent to a parking meter and that is set aside for the exclusive use of vehicles upon the deposit of a coin of United States currency in the parking meter as specified on the meter.
- (l) "Passenger curb loading zone" means a place that is adjacent to a curb and that is reserved for the exclusive use of vehicles during the loading or unloading of passengers.
- (m) "Stand" or "standing" means the halting of a vehicle, other than for the purpose of, and while actually engaged in, receiving or discharging passengers.
- (n) "Stop," when required, means the complete cessation of movement.
- (o) "Stop" or "stopping," when prohibited, means the halting, even momentarily, of a vehicle, whether occupied or not. The terms do not apply to the halting of a vehicle that is necessary to avoid conflict with other traffic or that is in compliance with the directions of a police officer or traffic-control sign or signal.
- (p) "Taxicab" means a licensed public motor vehicle for hire that is designated and constructed to seat not more than 10 persons and that is operated as a common carrier on call or demand.
- (q) "Taxicab stand" means a fixed area in the roadway that is set aside for taxicabs to stand or wait for passengers.
- (r) "Tow-away zone" means a zone where parking, stopping, or standing is not permitted, as indicated by proper signs, and where vehicles parked in violation of the signs are towed away to keep the roadway clear for traffic movement.
- (s) "U-turn" means a turn made on a roadway or in an intersection by a vehicle for the purpose of reversing its direction of travel.

(2) If any word or phrase used in this code is not defined in this code, but is defined in the Act, PA 300, MCL 257.1 to 257.923, then the definition in the act shall apply to the words and phrases used in this code.

CHAPTER 2. TRAFFIC ADMINISTRATION AND AUTHORITY

R 28.1101 Rule 101. Police department; traffic duties.

It is the duty of the chief of police and the officers of the police department to enforce the street traffic regulations of this governmental unit and all state vehicle laws that are applicable to street traffic in this governmental unit, including making arrests for certain traffic violations, issuing citations for civil infractions, investigating accidents, cooperating with the city traffic engineer and other officials of this governmental unit in the administration of the traffic laws and in developing ways and means to improve traffic conditions, and carrying out those duties specially imposed by this code and other traffic ordinances of this governmental unit.

History: 1954 ACS 13, Eff. Feb. 14, 1958; 1979 AC; 1979 ACS 5, Eff. Jan. 27, 1981; 2002 MR 20, Eff. Oct. 30, 2002.

R 28.1102 Rule 102. Authority of police directing traffic.

Officers of the police department or those officers that are assigned by the chief of police are hereby authorized to direct all traffic by voice, hand, or signal in conformance with traffic laws. However, in case of a fire or other emergency or to expedite traffic or safeguard pedestrians, officers of the police department may direct traffic as conditions require, notwithstanding the provisions of the traffic laws.

History: 1954 ACS 13, Eff. Feb. 14, 1958; 1979 AC; 1979 ACS 5, Eff. Jan. 27, 1981; 2002 MR 20, Eff. Oct. 30, 2002.

R 28.1103 Rule 103. Authority of firemen directing traffic.

Officers of the fire department, when at the scene of a fire, may direct or assist the police in directing traffic at the scene of the fire or in the immediate vicinity.

History: 1954 ACS 13, Eff. Feb. 14, 1958; 1979 AC; 1979 ACS 5, Eff. Jan. 27, 1981; 2002 MR 20, Eff. Oct. 30, 2002.

R 28.1105 Rule 105. Impounding of vehicles; authority; procedure; public sale.

(1) Notwithstanding section 252d of the act, a police agency may provide for the immediate removal of a vehicle from public property or any other place open to travel by the public and impound the vehicle in any of the following circumstances:

(a) When a vehicle is left unattended on a bridge, viaduct, causeway, subway, tube, or tunnel where the vehicle constitutes an obstruction to traffic.

(b) When a vehicle is found being driven on the streets or highways in an unsafe condition that endangers persons or property.

(c) When the driver of the vehicle is taken into custody by the police department and the vehicle would thereby be left unattended on the street.

(2) A police agency that authorizes the removal of a vehicle under subrule (1) of this rule shall comply with the requirements of section 257d(2) to (7) of the act.

R 28.1124 Rule 124. Annual traffic safety report.

The police department shall annually prepare a traffic report that shall be filed with the executive head of this governmental unit and the ordinance making body of this governmental unit. The report shall contain all of the following information on traffic matters in this municipality:

(a) The number of traffic accidents.

(b) The number of persons killed.

(c) The number of persons injured.

(d) The number of traffic accidents investigated.

(e) The plans and recommendations of the police department for future traffic safety activities.

(f) Other pertinent data on the safety activities of the police.

(g) Other pertinent traffic accident data.

R 28.1125 Rule 125. Traffic engineer.

(1) The office of traffic engineer is hereby established. The traffic engineer shall be appointed in a manner prescribed by the ordinance making body and shall exercise the powers and duties provided in this code in a manner that is consistent with prevailing traffic engineering and safety practices and that is in the best interests of this governmental unit. If a traffic engineer is not appointed, then the authority of the engineer shall be vested in the chief of police.

(2) The traffic engineer shall be responsible for any duties specifically delegated to the local authority by the Act, unless another office is specifically designated by the Act or by this code or is by its nature the more appropriate office.

R 28.1126 Rule 126. Duties of traffic engineer.

(1) The general duties of the traffic engineer are as follows:

(a) To plan and determine the installation and proper timing and maintenance of traffic-control devices.

(b) To conduct engineering analysis of traffic accidents and to devise remedial measures.

(c) To conduct engineering investigations of traffic conditions.

(d) To plan the operation of traffic on the streets of this governmental unit, including parking areas.

(e) To cooperate with other officials of this governmental unit in the development of ways and means to improve traffic conditions.

(f) To carry out the additional powers and duties imposed by the act and ordinances of this governmental unit.

(g) To otherwise regulate the movement and parking of vehicles within the municipality consistent with the act.

(2) All duties carried out by the traffic engineer shall be in accordance with standard and accepted engineering practices as found in the Traffic Engineering Handbook, Fifth Edition, which is adopted by reference in these rules. The Handbook may

R 28.1136b Rule 136b. Traffic-control devices on private property; violation as civil infraction.

(1) With the consent, or at the request, of the owners or persons in charge of private property that is open to the general public for travel, the traffic engineer may determine controls of the movement of vehicles and pedestrians and the parking of vehicles as needed for the safety and convenience of the public and users of the property. The traffic engineer shall place and maintain whatever traffic-control devices are necessary to give notice of the controls determined to be necessary.

(2) A person who violates the directions of the traffic-control devices is responsible for a civil infraction.

R 28.1137 Rule 137. Curb loading zones.

The traffic engineer is hereby authorized to determine the location of passenger and freight curb loading zones and shall place and maintain appropriate signs that indicate the zones and that state the hours during which the zones are restricted for loading purposes.

History: 1954 ACS 13, Eff. Feb. 14, 1958; 1979 AC; 1979 ACS 5, Eff. Jan. 27, 1981; 2002 MR 20, Eff. Oct. 30, 2002.

R 28.1138 Rule 138. Permits for curb loading zones.

The traffic engineer shall not designate or sign any curb loading zone upon special request of any person unless the person makes application for a permit for the zone and for 2 signs to indicate the ends of each zone. When approved by the traffic engineer, the clerk, upon granting a permit and issuing the signs, shall collect from the applicant and deposit with the treasurer a service fee for 1 year or a fraction thereof in an amount specified by resolution of the ordinance making body. The governmental unit may, by regulation, impose conditions upon the use of the signs and provide for reimbursement for the value of the signs if they are lost or damaged and for return of the signs if they are misused or upon expiration of the permit. The permit shall expire at the end of 1 year.

R 28.1139 Rule 139. Public carrier stands.

The traffic engineer is hereby authorized to establish bus stops, bus stands, taxicab stands, and stands for other passenger common-carrier motor vehicles on public streets, in places, and in number as he or she shall determine to be of the greatest benefit and convenience to the public. Every bus stop, bus stand, taxicab stand, or other stand shall be designated by appropriate signs, which the traffic engineer shall cause to be erected.

R 28.1140 Rule 140. Permit for loading or unloading at an angle to the curb.

The traffic engineer may authorize the clerk to issue special permits to permit the backing of a vehicle to the curb for the purpose of loading or unloading merchandise or materials subject to the terms and conditions of the permit. A permit may be issued either to the owner or lessee of real property or to the owner of the vehicle. A permit shall grant to the owner or lessee of real property the privileges that are stated in the permit and that are authorized in this code.

R 28.1147 Rule 147. Authority to sign 1-way streets and alleys.

Where any 1-way street or alley is duly established, the traffic engineer shall place and maintain signs that give notice of the 1-way street or alley and the regulation shall not be effective unless the signs are in place. Signs that indicate the direction of lawful traffic movement shall be placed at every intersection where movement of traffic in the opposite direction is prohibited.

2002 Edition

orders shall become effective upon being filed with the clerk and upon erection of adequate signs or signals that give notice of the existence of the regulation, if signs or signals are required by the provisions of this code that pertain to the regulation.

(2) Traffic-control orders may be issued by the traffic engineer on his or her own authority, but when so issued shall be known as temporary traffic-control orders and shall not be effective after the expiration of 90 days from the date of filing and these temporary traffic-control orders shall not be renewed or extended, except upon approval by the ordinance making body.

(3) Permanent traffic-control orders shall be issued by the traffic engineer, approved by the ordinance making body, and filed with the clerk.

(4) Temporary orders shall become permanent orders upon being approved by the ordinance making body, and notice of the approval shall be filed with the clerk.

(5) All traffic-control orders and any actions that modify or repeal the orders shall be kept by the clerk in a separate book that shall be known as the traffic-control order book.

(6) A copy of a traffic-control order, certified by the clerk to be a true copy compared by him or her with the original in his or her office, shall be permitted into evidence in all courts and proceedings in the same manner as the original would be permitted into evidence if produced. If it appears that a traffic-control sign, signal, or device that conforms to the provisions of this code was erected or in place when the alleged violation of this code occurred, it shall be prima facie evidence of the existence of a lawful traffic-control order that authorizes the traffic control, sign, signal, or device, and it is not necessary for the prosecution to affirmatively show the existence of a valid traffic-control order in these cases, unless and until the presumption is rebutted by competent evidence.

(7) All traffic control orders issued by the traffic engineer, whether temporary or permanent, shall be in accordance with standard and accepted engineering practices as adopted in R 28.1126.

R 28.1204 Rule 204. Use of coasters, roller skates, and similar devices restricted; violation as civil infraction.

(1) A person who is riding in, or by means of, any coasters, toy vehicle, or similar device shall not go on any roadway, except while crossing a street on a crosswalk. When crossing a street on a crosswalk, the person shall be granted all of the rights, and shall be subject to all of the duties, applicable to pedestrians.

(2) A person who is on a skateboard or roller skates, including in-line skates, shall be considered a pedestrian and is subject to all of the rights and duties of a pedestrian, except as provided in subrule (3) of this rule.

(3) The traffic engineer may designate those roadways and areas where the use of skateboards, roller skates, or in-line skates are prohibited and shall designate these areas through the posting of appropriate signs.

(4) A person who violates this rule is responsible for a civil infraction.

CHAPTER 9. MISCELLANEOUS

R 28.1901 Rule 901. Short title.

This code shall be known and cited as the "Uniform Traffic Code."

History: 1954 ACS 13, Eff. Feb. 14, 1958; 1979 AC; 1979 ACS 5, Eff. Jan. 27, 1981; 2002 MR 20, Eff. Oct. 30, 2002.

R 28.1902 Rule 902. Invalidity or unconstitutionality of code; severability.

If any part or parts of the Act or this code are for any reason held to be invalid or unconstitutional, the decision shall not affect the validity or constitutionality of the remaining portions of these rules. The ordinance-making body hereby declares that it would have passed this code and each part or parts thereof, irrespective of the fact that any 1 part or parts be declared invalid or unconstitutional.

History: 1954 ACS 13, Eff. Feb. 14, 1958; 1979 AC; 1979 ACS 5, Eff. Jan. 27, 1981; 2002 MR 20, Eff. Oct. 30, 2002.

R 28.1903 Rule 903. Penalties; civil infraction and misdemeanor.

(1) Civil infraction: A violation of this code or rules substantially corresponding to the Act that is designated a civil infraction is not a crime and shall not be punishable by imprisonment or a penal fine. A civil infraction shall not be considered a lesser included offense of any criminal offense.

(2) Misdemeanor: Unless another penalty is expressly provided by the ordinances of this governmental unit, every person who is convicted of a misdemeanor violation of any provision of this code shall be punished by a fine of not more than \$100.00 or by imprisonment for not more than 90 days, or both.

History: 1954 ACS 13, Eff. Feb. 14, 1958; 1979 AC; 1979 ACS 5, Eff. Jan. 27, 1981; 2002 MR 20, Eff. Oct. 30, 2002.

R 28.1904 Rule 904. Saving clause.

All proceedings pending and all rights and liabilities existing, acquired, or incurred at the time this code takes effect are hereby saved, and these proceedings may be consummated under and according to the ordinance in force at the time the proceedings are or were commenced. This code shall not be construed to alter, affect, or abate any pending prosecution or prevent prosecution hereafter instituted under any ordinance specifically or impliedly repealed by the ordinance adopting this uniform traffic code for offenses committed before the effective date of this code; and all prosecutions pending at the effective date of this code and all prosecutions instituted after the effective date of this code for offenses committed before the effective date of this code may be continued or instituted under and in accordance with the provisions of any ordinance in force at the time of the commission of the offense.
